

## Electronic poster access via MD Connect

All MD4 students are required to submit an electronic poster of their research to MD Connect. These posters will then be made available for viewing on MD Connect.

To view a poster, please follow the instructions below.

### Step 1

After you login to MD Connect, click on **My Apps** and then **Poster Gallery**.

### Step 2

You can find your poster of interest by searching for its number in the 'Poster number' box highlighted below. To access the PDF, click on the .pdf file in the far-right column (under 'File').
